REMARKS

Claims 1-17 are pending. The Examiner's objections and rejections have been addressed in the attached amendment. None of the amendments add new matter.

The undersigned regrettably acknowledges the errors necessitating this amendment and state that such errors were completely unintentional.

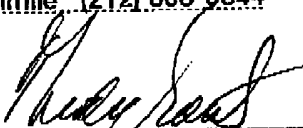

As pointed out in the office action, the following amendments have been made:

- The structure being deleted in claim 1 is the structure added in the amendment of 8/22/03.
- Claim 1 has been amended to remove the previously unnecessary deletion of claim element $n > 10; \leq 20$.
- Claim 1 has been amended to include the proper markup amendments showing the seven deletions of Markush language.

Efforts will be made to ensure that such oversights are not repeated.

Respectfully Submitted,
